

**Amigurumi Crochet Workshop**  
**Belle the Bunny**  
**Material List**

-Worsted weight yarn – I highly recommend “I Love This Cotton” brand, which can be found at Hobby Lobby. Two colors (I used Dove and white), one skein of each color. If you choose to make the heart, one skein of color choice.

-Black Safety Eyes: Size 6mm (I will have safety eyes available to purchase for .50 a pair)

-Pink Embroidery Thread for nose and mouth.

-Crochet Hook Size 2.5mm – Many types of crochet hooks to choose from and a personal choice, I recommend a hook with a comfort grip or wood handle.

-Pom Pom maker (For making bunny tail. I will have one available for students to borrow if needed)

-Wood Skewer (If making heart)

-Washi Tape (If making heart)

-Stitch Markers: Size Medium - I recommend Clover brand markers that look like safety pins. (I will have stitch markers available to purchase for .25 each)

-Embroidery Scissors (I will have a few extra pairs for student use)

-Tapestry needle (I prefer the metal needles, if using plastic make sure it has a fine tip)

-Fiberfill stuffing

-Pins (I will have pins for student use)

-Stuffing tool (if needed, usually included in bag of fiberfill)

NOTE: If purchasing any supplies, please have exact cash available.
