

A World of Art Festival Venue and Parking

Vendor parking will be in the multi-story Town Square Parking Garage adjacent to the small park where the festival is being held. Parking is free. A portion of Pilgrim Mill Road and School Street will be blocked to traffic for the event beginning at 8:00am. There will be events and exhibits both inside the Cumming Arts Center at 111 Pilgrim Mill Road and outside in the grassy area across the street from the CAC.

Vendors may unload their vehicles on Pilgrim Mill Road near the tent area by showing a copy of their registration to the street barrier guard who will then allow them in. After unloading, the vehicle must be immediately moved to the parking garage. All unloading must be complete, and the tents set up by 9:30am on Saturday, September 9th.
