As a member, you are invited and encouraged to attend our meetings which are currently publicized via an eblast from sawneart@gmail.com. Please add this address to your contacts so that you will receive the eblasts. These meetings are an excellent way to stay current on upcoming events, meet other artists, enjoy some refreshments and learn from featured guest speakers from time to time. Members also automatically receive email /mail announcements that may be of interest to you. Since opportunities can and often do arise throughout the year, attending our meetings is the best way to stay informed of any special events or meeting changes. We also advertise our meeting information in the Forsyth County News in the Community Event section. Look for meeting, event information and member news on our website, www.sawneart.org. An advantage to becoming involved in SAA is the opportunity – and support—it provides for displaying and marketing your artwork at a number of impressive venues. We are providing the attached hanging instructions, which you will find useful for our art shows and venues. Artwork must comply with these hanging instructions. A current member roster and By-Laws will be available to you upon joining our organization.

SAA Framing Requirements

Each Piece to be displayed must be framed in accordance with the following guidelines. These guidelines are just good practice for selling and presenting your artwork in a professional manner to the public.

Pieces without proper hanging hardware will not be displayed.

Step 1: Measure the vertical height of the frame and divide by 3.

Step 2: Place "D" ring (A) in the frame, not the backing, at 1/3 from the top of the frame (measurement from step 1) *NO sawtooth hangers (B).*

Step 3: Stretch picture wire so peak is a minimum 2" from the top of the frame. *NO string, cord or other substitutes for picture wire.* (2" minimum ensures the wire and wall hook will be hidden behind the frame).

Step 4: Add bumpers to the bottom corners of the frame to prevent wall abrasions while hanging.

TIP: "D" rings, picture wire and bumpers can be purchased at Lowes and Home Depot.

- Pieces with backing have a more professional appearance.
- Label your artwork. Attach a business card or use the tags provided to help a buyer find out more about you or collect more of your work later.
-
- Gallery-wrapped canvases that are 1 1/2" – 2" may be unframed, but all edges must be painted and a hanging wire must be attached in the same manner as with the framed art.

Announcing the 2024 Cumming Arts Center Officers

Alison Sims

PRESIDENT

Alison Sims was born in Kent, England. At an early age, the family immigrated to Vancouver, BC. Both parents were artistic, studying architecture, drawing, painting and sewing, which exerted a strong influence on her. She studied fine art in college, and later worked

in the field of pulp and paper. This brought her to Atlanta in 2000, where she met her husband. In 2016, they moved to Cumming. Today, she dedicates much of her time to fine arts. She purchased her first digital camera in 2007, and her greatest joy is primarily shooting landscape, wildlife, nature, and “anything old and rusty.” In the last few years, she picked up a paint brush, concentrating on oil on canvas, some watercolor, gouache and felting. She is naturally inquisitive and loves to learn new techniques and meet fellow artists and says she “is excited to be a leading member of the Cumming Arts Center and Forsyth County’s growing arts community.”

Ellen Lewis

VICE PRESIDENT

Ellen Lewis is an Atlanta artist who has been honing her creative skills as a fine artist since her first paid art job in 1986 as a calligrapher. She graduated from the School of Visual Arts in 1992 with a BFA in 3D Design and Illustration and a minor in Graphic Design. She says

her artistic thought process is based on “the desire to make ideas come to life.” Her 3D work has been featured in package design, 1996 Olympic events, movies, television, high-end holiday decor, Broadway, and residential construction. In addition, some of Lewis’ noted interactive Fine Art 3D work has been on display on MTV, The New York Art Directors Club, and The Whitney Museum of American Art in Manhattan. “I visualize in raw, vibrant color” she says. “Color is my driving force. Color can evoke just about every emotion”.

Kathy Gamble

SECRETARY

Kathy and her husband George moved to Cumming from New Hampshire in 1990. Kathy’s passion has been raising and boarding Arabian horses. Both she and George traveled extensively, and both became interested in photography. Over time, Kathy’s

interests expanded to various art media, and she began painting in 2008. She uses many of her travel photos as the basis of her paintings. She continues taking classes and workshops to further her art and enjoys learning more about oil and acrylic painting. She has been an active member of the Cumming Arts Center/Sawnee Association of the Arts, having held several board positions. She is “committed to promoting the arts of all types through the Cumming Arts Center.”

Mary Warren

TREASURER

Mary Warren works in finance and is all about numbers. Yet ten years ago she picked up a paint brush and started taking art classes. There blossomed the love and challenge of creating art on canvas. To nourish her growing love for art, she became a member of

the Cumming Arts Center. At her first member meeting, there was an announcement that there was an opening to fill the Treasurer position on the Board and she answered. She is honored to give her time and financial expertise as Treasurer to a non-profit organization where artists can flourish and give back to the Cumming community. She realizes and is thankful she has found the perfect intersection of art and numbers.

Additional Individual Supporters of the Visual Arts Community

Art McNaughton

ADVISORY COUNCIL MEMBER

Art McNaughton, CEO of the Atlanta Artists Center, is an Advisory Council Member for the Cumming Arts Center. Art gained a deep appreciation for architecture while working alongside his father as a tuck pointer in Chicago.

He says this experience instilled in him a strong work ethic and a love for painting architectural structures. He particularly enjoys depicting the interplay of light, reflections, and surfaces. He combines this passion with a fascination for glass and metal reflections, primarily found in the automotive world.

Gregory Johnson

CONSULTING ARTIST

Gregory Johnson, Sculptor, is a Consulting Artist for the Cumming Arts Center. Gregory was born in Chicago and one of a very small group of sculptors whose public art commissions we see around us in Forsyth County and beyond. He moved

to Atlanta in 1981 and has created a large body of bronze statuary in a variety of themes, including depictions of famous historical figures, art patrons, and children. In 2012, modern art began to dominate his thinking, prompting him to create contemporary stainless-steel sculptures. Currently, Gregory works in his studio in Cumming and has a team of 175 subcontractors, including designers, engineers, foundry workers, fabricators, and other specialists, who help him produce a wide range of monumental works - over 1500 to date - located in 44 states and 7 countries. One of his sculptures is on display currently on the Cumming Arts Center grounds.

About the Cumming Arts

The Cumming Arts Center/Sawnee Association of the Arts (CAC/SAA) is a 501(c)(3) non-profit, all-volunteer organization. It has been based at various locations over the years until, in 2018, it leased the City of Cumming's Brannon-Heard House at 111 Pilgrim Mill Road.

The organization has a long history dating back to 1970, when it was established by a small group of art enthusiasts to meet the need for an art culture presence in Forsyth County. It has since evolved into a vital community asset with over 200 members and serves as a hub for visual arts for Cumming and residents throughout Forsyth County.

In addition to member exhibits, the new year will feature a wide variety of art adventures, including Forsyth County events highlighting the work of art students and local non-members as well as continuing to host the 21st Annual Christmas Festival at Lanier Tech. The Center's 2024 schedule includes art classes in various media, open studio hours, and other existing opportunities for dedicated art professionals, aspiring artists, and hobbyists.
