**Artist & Instructor**

Hi! I'm a passionate painter with a love for acrylics and a curiosity that drives me to explore all kinds of artistic mediums. With a background in Fine Arts, graphic marketing, and social media, I bring a creative and modern approach to everything I do. Over the years, I've shared my love for art through casual lessons with family and friends, and by hosting fun, engaging paint parties. Now, I'm excited to take the next step—offering regular art classes where creativity, learning, and inspiration come together. Whether you're picking up a brush for the first time or looking to grow your skills, my goal is to create a space where everyone feels welcome, supported, and inspired. Because I truly believe that art has the power to connect, uplift, and transform.
